

# Automotive Recyclers Association

## POLITICAL ACTION COMMITTEE

*(Please read, sign and return this form to ARA today ... Thank you!)*

A political action committee (PAC) is a highly effective means for association members to join together and pool federal campaign contributions to further common political and legislative interests.

The formation of a PAC for the automotive recycling industry was necessary to provide ARA a stronger voice in Washington, D.C. with the opportunity and ability to educate elected officials on key issues important to the industry.

To forge the necessary effort in support of ARA positions that would enable the auto recycling industry to be successful in the next few years, ARA must raise funds for its PAC. The PAC permits the association to let legislators know that we appreciate their understanding of and work on behalf of ARA positions.

Federal election rules stipulate that your corporate approval is necessary before ARA can conduct a solicitation for the ARA PAC. We ask that you complete and sign this form today granting permission to ARA to solicit your executive and administrative personnel for the purpose of raising funds to support the ARA PAC.

THIS FORM DOES NOT OBLIGATE YOU OR  
YOUR EMPLOYEES TO CONTRIBUTE.
